

4-H Club Leaders In County Are Awarded Prizes

A gold pin, each, was awarded Robert Wise, Carl Barley, Minnie Mae Farris and Kate Farris, outstanding 4-H members at the annual club meeting held at Lake Tholocco, Friday.

A book, "I Dare You," and a leadership certificate, presented by the Dansworth Foundation, went to Robert Wise, H. C. Arant, County 4-H Agent, was in charge of the presentation ceremony.

Important among the business transacted was the appointment of a nominating committee for county officers. Those chosen were: Charles Barnes, Mt. Pleasant.

Robert Wise, Council Chairman, served as presiding officer was presented: Welcome, Mr. Hoaglen, assistant forester; Reports from the Auburn Short Course; "Recreation and the Candle Lighting Ceremony," Minnie Mae Wise, Basin Club; "Discussion Groups," Robert Wise, Fairview Club; "Cabin Life," Carl Barley, Mt. Pleasant.

Organized recreation was directed by F. Tindol, Mrs. Clyde

Whaling and Miss Henrietta Jones Boating, swimming and a picnic lunch were included in the day's pleasures.

Thirty-seven clubs were represented with 325 girls and boys attending.

Mr. Arant and Miss Mamie B. Mathews, home agents, were in charge.

MEMBERS OF BATTERY D EXPRESS THEIR THANKS

Captain F. A. Farris, of Battery D, 117th Field Artillery, speaking for all members of the battery, has expressed his gratitude for the welcome given by the boys recently on their short pause in the city enroute to maneuver grounds in Louisiana. The letter received from Captain Farris is being read to the boys and also printing a letter which has come to Mayor L. P. Mullins from the Supply Section of the 124th Infantry, which was a part of the 31st division which passed through Elba last Thursday. These letters speak for themselves.

A.P.O. 31, Bagley, La., August 6, 1941.

Dear Mr. Bryan: The members of Battery D have requested that I express their appreciation to the people of Elba for the welcome and refreshments while in Elba last Thursday. This was a mighty fine thing for the people to do and we want everyone to know that it will always be remembered by everyone in the home folks has served to make us appreciate home more and has morale. This welcome by the battery, they gave us, is a very glad to have them back at home. Mr. Smith was about to say, "Your very truly, FRANCIS A. FARRIS, Captain, 117th Field Artillery."

Bagley, La., August 6, 1941.

To Whom It May Concern:

It has been the privilege of this Company since 1921 to operate Camps in various States and we would like to take this opportunity to express our appreciation and thanks to the people of your City, County and State for the WELCOME we received on our way through your city. We were provided for our entertainment while on our way from Camp Blount, Tenn. to our bivouac area near Antonio, Louisiana, where we are engaged in summer maneuvers.

We must further state that every man enroute by convey of the 31st Division has expressed his gratefulness for such.

Furthermore, we say that we feel our tour of duty is just one part in such a great emergency and we feel your citizens have shown and done their part to make our service a pleasure.

Hoping we may again have the privilege to visit the beautiful and hospitable City and State, we remain,

Yours in service,

GENEVA FARMERS OUTWIT WEEDS WITH POTATOES

GENEVA, Ala., Aug. 9.—The Geneva County farmers, R. V. Crews and Early Zorn, of the Pine Grove community, have found that one of the best methods of outwitting the boll weevil is growing sweet potatoes for the early market.

Working cooperatively, these two farmers put out one and one-half acres of Copperskin Porto Rico potatoes about April 1, which they fertilized with 1,000 pounds of 3-5-5 per acre. The potatoes were dug during the period July 15 to August 1. First they dug 2,800 pounds of potatoes three weeks ago which were sold at \$45 per ton, and then recently dug 5,729 pounds of potatoes which brought \$148.93.

Many will hand a strip the seed while others will now and rake the grass, scattering it over the fields to be seeded. Still others, with larger fields, will combine the seed.

Pointing out that seed are ready to harvest when the heads turn brown, J. C. Frink, assistant extension agent, Auburn, states that every method has its advantages. More seed can be saved from a given area if handstripping is practiced. This is because plants may be harvested as they ripen.

By scattering the mowed grass over land a mauling effect is obtained which keeps the weeds from getting a stand. When machinery is used early and late maturing plants must be sacrificed to save the maximum amount of seed but on large areas where seed is not the main point, it is probably the most economical method to use.

Slam, a country of East Asia, with a population of about 12,000,000, is now called Thailand.

LIBERTY NEWS

Dear Editor: August 10, 1941.

We wonder how everyone is this beautiful morning. After the rain yesterday evening, Oh, we had one of the best days we have had this year. We also had heavy rains Friday and Saturday. Sunday evening the wind was high and blew the corn down a heap of cotton stalks, and the wheat, and blue lupine, and don't forget to make arrangements for the time, phosphate and potash to fertilize the legumes and small grain.

Some of the farmers who are following the Wiregrass District soil conservation program, saved enough blue lupine seed this last spring to plant a considerable acreage. Mr. P. O. Martin, Mr. W. L. Grimley and Mrs. S. W. Crumpler of Enterprise, and Mr. F. Free, Jr., of Zion Chapel, produced approximately one ton of small seed patches totaling about two acres.

Due to the promise given by Mr. J. M. Stokes, weight 477 lbs. tonight by Grimes & Jones at 22 cents a pound, bringing \$104.94 total gained out here at their place was 24 bales, which is a record for so early in the season.

We find this cotton crop is a little early. We still think the crop this year will be larger than last. A good many say not.

Saturday evening, as the writer was on his way home from Elba, he stopped at the Grimes & Jones gin. Just before they started their first sale Monday evening, raised by Mr. J. M. Stokes, weight 477 lbs. tonight by Grimes & Jones at 22 cents a pound, bringing \$104.94 total gained out here at their place was 24 bales, which is a record for so early in the season.

We find this cotton crop is a little early. We still think the crop this year will be larger than last. A good many say not.

NEW TIME TO SECURE SEED FOR LEGUMES AND GRAINS

In August, farmers interested in conserving and improving their soil and increasing the production of feed for their livestock, are making plans for planting the largest acreage of winter legumes and small grain ever planted on their farms.

Now is the time to secure a seed supply of oats, barley, Austrian winter peas, Williams' vetch, and blue lupine, and don't forget to make arrangements for the lime, phosphate and potash to fertilize the legumes and small grain.

Some of the farmers who are following the Wiregrass District soil conservation program, saved enough blue lupine seed this last spring to plant a considerable acreage. Mr. P. O. Martin, Mr. W. L. Grimley and Mrs. S. W. Crumpler of Enterprise, and Mr. F. Free, Jr., of Zion Chapel, produced approximately one ton of small seed patches totaling about two acres.

We find this cotton crop is a little early. We still think the crop this year will be larger than last. A good many say not.

Saturday evening, as the writer was on his way home from Elba, he stopped at the Grimes & Jones gin. Just before they started their first sale Monday evening, raised by Mr. J. M. Stokes, weight 477 lbs. tonight by Grimes & Jones at 22 cents a pound, bringing \$104.94 total gained out here at their place was 24 bales, which is a record for so early in the season.

NOTICE OF PUBLIC HEARING

Notice is hereby given that on Monday, August 25, at 10 o'clock A. M., a public hearing will be held before the Court of County Commissioners of Coffee County at Elba, Alabama, to determine whether or not there is a lack of safe and sanitary dwelling accommodations in Coffee County, Alabama, available for the inhabitants thereof, and particularly for persons of low income, and whether there is need for a Rural Housing authority as provided by Title 29, Section 53, of the Alabama Code 1940.

All persons interested are requested to appear at said hearing. The hearing will be held at the residence of Mrs. J. W. Brock, Chm., P. O. Box 100, Elba, Alabama. The hearing will be held at the residence of Mrs. J. W. Brock, Chm., P. O. Box 100, Elba, Alabama.

Editor Tupper Lightfoot, of the Brundage Sentinel, made an appreciative call at the Elba office last Friday. Mr. Lightfoot is new at the newspaper game, but has had wide experience in banking and other fields of business, and says he finds running a newspaper the most interesting experience of his business life. He is very popular in Brundage and should receive the wholehearted support of the people of that community. He is one of the finest examples of a high class Christian gentleman we ever knew.

Mrs. J. R. Oggs, of Birmingham, is the daughter of Miss Mattie Mae Bullard, who, Mrs. Oggs has many friends in Elba, who are glad to welcome her.

Camp Blandford soldiers are singing: "We are the guys who let our girls, our mothers and our pals—but we have gone back to them SOME DAY."

Misses Marjorie and Peggy McClellan, of Montgomery, Ala., are visiting their grandparents, Mr. and Mrs. C. B. McDowell, and aunt, Mrs. Mary J. Newton.

The amount of money in circulation in the United States has reached \$20,000,000,000.

RECENT BRIDE IS

HONORED AT SHOWER--

The Business Woman's Circle of the Baptist W. M. U. honored Mrs. Joe Elma Clark, the former Miss Elma Clark, who is now Mrs. Elma Clark, with a lovely and delicious shower in the home of Mrs. Baxter Bryan Thursday afternoon from five to six o'clock. A color note of pink and green prevailed in the living room where baskets of pink roses and asters formed the focal setting.

Mrs. Bryan, in a costume of blue and white, with a white shawl, received the guests and presented them to Mrs. J. W. Kendrick wearing a model of net and chiffon. The bride was attractive in a blue and white dress, with a white shawl, and a white shawl.

The bride was attractive in a blue and white dress, with a white shawl, and a white shawl. The bride was attractive in a blue and white dress, with a white shawl, and a white shawl.

Treasure Isle

New Navy Base

Site of Golden Gate Fair

Considered Ideal for

Training Station.

San Francisco--Treasure

Island, in the middle of San Francisco

bay and the largest man-made

island in the world, has been taken

over by the navy for the duration of

the present national defense emergency.

The island was the site of the 1939

1940 Golden Gate International ex-

position, but for the next four or five

years, at least, it will be used as a

seaplane and small craft training

base.

Navy officials found the island an

almost ideal location for the pur-

poses for which it is to be used.

In the first place, it is entirely

surrounded with navigable water ex-

cept for the small ramp that con-

nects it with the San Francisco bay

and which brings it within 10

minutes from the center of the city.

Buildings Are Usable.

The move was made to utilize

17 of the principal buildings of the

exposition and thus save greatly in

cost for the new base. The buildings

are in excellent condition and

will be used for the new base. The

buildings are in excellent condition

and will be used for the new base.
